Inspired Leadership

IN 3 SEASONS

2 Conference Titles

22-6 Conference Record

2 Elite 8 Appearances

We thank you for supporting our program. Your participation and support of **Champions, Inc.** gives us the tools and opportunities to host camps and clinics during the summer months.

Our summer months are used to supplement our salaries as coaches, while providing our community an opportunity to learn from our coaches and players about the game we love.

As a young boy growing up in a small town, the camp experiences polished my God- given talents as I entered my high school years. The work paid off and here I am today, able to give to the game what the game has given me- a Great Opportunity.

Camps provide the youth an opportunity to set foot on our campus at an early age, providing hope for the future and an outlet for the parents to place their children in a safe and trusted environment.

There are individuals who simply cannot afford to attend our camps, and this is where you can play a significant role in the life of a young child. Your gift can sponsor and/or reduce the expenses for those that simply can't afford to pay.

We strive for continued growth and improvement daily. We will plan and take steps to make sure each participant grows, and learns from the **Bengal Experience**.

We appreciate and need your support to help continue to have qualified individuals help us grow this life transforming program!
